

What does the IYRP initiative seek to achieve?

- ✓ Greater awareness in science & society about how rangelands & pastoralists contribute to food security, economy, environment & cultural heritage
- ✓ Resolutions taken by UN and other international entities in support of rangelands & pastoralists
- ✓ Changes in national, regional & global policies in favour of sustainable management of rangeland resources by pastoralists & other stakeholders
- ✓ Increased sustainable & ethical investment in rangelands & pastoralist livelihoods
