

# YOUTH LEADING AFRICA'S Climate Transformation

The climate crisis is the defining challenge of our time. Our youth are not just the leaders of tomorrow, they are leading today.

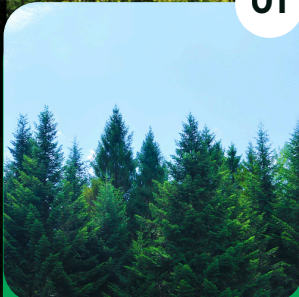

## Who We Are

GCSAYN (Climate Smart Agriculture Youth Network Global) is mobilizing youth across Africa to lead in climate action, from reforestation to climate-smart agriculture and policy advocacy.

## Key Impacts

01

**50,000+**

Trees Planted –  
restoring  
degraded  
landscapes

02

**10,000+**

Youth Trained –  
building climate  
leaders

03

**170 Countries  
Reached**

spreading  
impact across  
Africa

04

**100+**

Climate  
Campaigns Led –  
amplifying youth  
voices

GCSAYN is a movement of young Africans driving climate-smart solutions through action, innovation, and advocacy. From planting thousands of trees to building Green Schools and shaping policy at global summits, our ambassadors prove that youth are not just the future they are the force of change today
