

# Pastoralism and Gender Working Group

## Objectives:

Highlight the advantages of bringing a gender lens to pastoralist development issues

Identify gaps around gender and pastoralism research

Support the other thematic groups in their efforts to incorporate a gender lens in their work

Disseminate key information around gender and pastoralism and generate discussions on this topic with a view to raise/increase awareness

Make sure gender issues receive adequate attention in the IYRP

## Some expected outputs

1. Perspectives on Pastoralism Film Festival devoted to women & youth
2. Pastoralist women's gatherings
3. Photo stories
4. Open-source recipe collection using products from pastoral systems
5. Research and policy initiatives focussing on women pastoralists
